In consideration of the extension of credit to _____, ("Debtor") by Allegiant Power, LLC, ("Creditor") and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, each of the undersigned Guarantor(s) agree, jointly and severally, to pay Creditor, its successors and assigns, any and all indebtedness, fixed or contingent, which Debtor may now owe or at any time hereafter owe Creditor together with all accrued interest and charges, and all related collection costs including, without limitation, reasonable attorneys' fees.

1. **GUARANTY.** Each undersigned Guarantor, jointly and severally, hereby absolutely and unconditionally guarantees full and prompt payment and performance when due of all amounts advanced in the past or to be advanced in the future by Creditor to Debtor and all obligations owed by Debtor to Creditor, whether now existing or subsequently owed. This Guaranty shall cover any indebtedness or liability of the Debtor to Creditor, whether primary or secondary, direct or indirect, in contract or in tort.
2. **SCOPE AND DURATION.** This is a continuing Guaranty, in full force and effect until Creditor receives full payment owed by Debtor and Guarantors hereunder.
3. **WAIVER OF NOTICE OF ACCEPTANCE/STATUTE OF LIMITATIONS.** Each Guarantor waives any notice which may be required relative to the acceptance of this Guaranty or approval of any credit extension to Debtor. Further, each Guarantor waives any benefit of any statute of limitations or repose which could affect Guarantor's liability under this Guaranty.
4. **DEFAULT BY DEBTOR.** If Debtor defaults in the payment or the performance of any obligation owed to Creditor, whether existing now or hereafter, a Guarantor shall immediately upon demand by Creditor pay to Creditor all amounts due and owing to Creditor by Debtor, together with all interest accrued thereon.

Each Guarantor waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing said obligations. Creditor shall not be required first to resort for payment of the said obligations to Debtor or other persons or guarantors or their properties, or first to enforce, realize upon or exhaust any collateral security for said obligations, before enforcing this guaranty or any part thereof.

5. **EXTENSIONS/MODIFICATIONS DO NOT REQUIRE GUARANTOR'S CONSENT.** Without future authorization from or notice to any Guarantor hereunder, Creditor in its sole discretion may grant additional credit to Debtor from time to time, all of which shall be included within the Guaranty and obligations hereunder. Further, Creditor may, without notice to any Guarantor hereunder and without affecting the Guaranty hereunder, alter, compromise, accelerate, extend, or change the time or manner of payment of any indebtedness or performance of any obligation; increase or reduce the rate of interest or other charges; add or release one or more Guarantors hereunder or under any other guaranty agreement. No exercise or non-exercise by Creditor of any right given to it, and no change, impairment or suspension of any right or remedy of Creditor shall in any way affect any of Guarantor's obligations hereunder or give a Guarantor any recourse against Creditor.

6. LEGAL ACTION. If legal action is taken to enforce this Guaranty, Such action may be maintained alone or joined with any action against Debtor or any other guarantor of Debtor's obligation. Further, Creditor may initiate an action against one or more Guarantors hereunder or under any other guaranty, but less than all without affecting Creditor's rights as to any remaining Guarantors. Such action shall not be considered as a defense, waiver, or estoppel of any kind applicable to Creditor. Creditor's rights are cumulative and shall not be exhausted by its exercise or non-exercise of any of Creditor's rights hereunder or otherwise, until and unless all indebtedness hereby guaranteed has been paid in full. Each Guarantor, jointly and severally, agrees, with or without demand, to pay to Creditor all costs, expenses and reasonable attorneys' fees incurred by Creditor in collecting or compromising any indebtedness of Debtor guaranteed hereunder or in enforcing this Guaranty against any Guarantor hereunder, whether by suit or otherwise.

7. INDEBTEDNESS AS PART OF GUARANTY/SUBORDINATION. Each Guarantor agrees that the terms, conditions and agreements relative to all indebtedness of the Debtor to the Creditor, whether existing now or hereafter incurred, shall be considered a part of this Guaranty, and each Guarantor hereby ratifies, adopts, and confirms all such terms, conditions and agreements. Each Guarantor acknowledges that the Guarantor has received and will continue to receive substantial benefits from any and all credit extended by Creditor to Debtor, whether currently existing or subsequently extended. All existing or future indebtedness of Debtor to any Guarantor, is subordinated to all indebtedness hereby guaranteed. Without the prior written consent of Creditor, no such indebtedness shall be paid in whole or in part as long as there exists any outstanding indebtedness guaranteed hereby.

8. BINDING EFFECT, ASSIGNMENT, ETC. This Guaranty shall bind the heirs, successors and legal representatives of each Guarantor. This Guaranty may be assigned by Creditor without notice to or approval of any Guarantor, and shall remain fully binding upon each Guarantor, their heirs, successors and legal representatives. If it should be held that any term of this Guaranty is in conflict with any applicable law, any such term shall be modified to conform with such law to the extent possible and in a manner consistent with the intent of this Guaranty. If such term cannot be so modified, same shall be considered severable and shall not affect any other term hereunder, all of which shall remain in full force and effect. This Agreement may be executed in multiple counterparts, each one of which shall be deemed an original, but all of which shall be considered together as one and the same instrument. Whenever the context of this Guaranty requires, the masculine gender includes the feminine and neuter, and the singular number includes the plural and vice versa. Each Guarantor acknowledges that he has reviewed this Guaranty and has had the opportunity (whether exercised or not) to have his own counsel review and advise regarding the terms hereof. Accordingly, the normal rule of construing ambiguous terms against the drafter shall not apply. Section headings are for convenience only and neither limit nor amplify the provisions of this Guaranty.
